

A Happy New Year to Everyone.

We hope to make 2014 another enjoyable and successful year of fund raising and would love to hear from you if you have any fresh ideas on how to make that happen.

To help with that aim, new heaters have been installed in the Community Room and are already making it so much cosier in there.

To discuss 2014 OPEN GARDENS AND STUDIOS

Midgley's popular biennial Open Gardens and Studios Event will be held this year on the weekend of 14th and 15th June.

This meeting is open to everyone. Please come along if you would like to be involved in any way with what is always a fantastic showcase for the Midgley area as well as being an important fundraiser.

Your garden could be large, small, or a few plant pots. It might be a wild garden, or something more formal. It doesn't even need to be finished - work in progress offers endless fascination for garden lovers. If you've never opened your garden before, and are uncertain whether to do so, then do come to the meeting and hear what previous 'openers' have to say.

Similarly, if you are an Arts and Crafts person, this could be your opportunity to show off your skills and open up your studios and workshops to a whole new audience.

This is a big weekend and help will be needed in many areas.

Can you volunteer assistance with serving refreshments, baking, publicity, putting out signs, runners on the weekend. We would especially like to hear from anyone out there with graphic design skills willing to help with publicity material.

If you are unable to make the meeting but are interested in being involved, then please contact Anne Holdsworth on 882901.

VILLAGE CAROLS

It was wonderful to see the large number of enthusiastic carol singers out and about in the village, followed by our annual Christmas get-together. Many thanks to everyone and especially to all those who helped out beforehand and on the evening.

Thank you to Anne and John Holdsworth who once again hosted the event and much gratitude to Neil Robinson who provided the musical accompaniment.

Similarly our thanks go to Helen Hill who directed proceedings via the loud hailer, and special thanks to SANTA and his 'little helper' for coming to visit us at their busiest time of year.
